

Orange Cap Presentations - Expiry Information

Document Updated as of December 13, 2021.

Expiry information for the 5 to <12 years old, Dilute to use Orange Cap presentation:

The date printed on the vials and cartons for the orange 5 to <12 years old, Dilute to use Orange Cap presentation reflects the date of manufacture (MFG). Regardless of storage condition, orange cap vaccine vials should not be used after **9 months from the date of manufacture** printed on the vials and cartons. If you observe a vial and carton label that says expiry date (EXP) on it, this guidance does NOT apply.

Date of Manufacture (MFG) on Vial and Carton	EXPIRY Date (9-months)
